CoachGenie Coaching ERP

DOCUMENT VERSION

v1.0 (Phase 1 Complete)

TARGET AUDIENCE

All User Roles

DEFAULT SUBDOMAIN

demo (Demo Institute)

Quick Demo Login Credentials:

Subdomain: demo • **Owner Email:** owner@demo.com • **Counselor Email:** counselor@demo.com • **Password:** Admin@1234

1. Getting Started & Logging In

AUTHENTICATION

CoachGenie is a multi-tenant platform where each coaching institute has its own isolated subdomain environment.

- **Step 1:** Open your web browser and navigate to `http://localhost:3000/login`.
- **Step 2:** Enter your institute's **Institute Subdomain** (e.g. `demo`).
- **Step 3:** Enter your assigned email address and password, then click **Sign In**.
- **Step 4:** Upon authentication, you will be redirected to your role-specific dashboard.

2. Institute Owner / Admin Guide

FULL CONTROL

Managing Institute Dashboard & Finances

OWNER ROLE

- **Executive Dashboard (/dashboard):** View real-time revenue collection, total active students, pending fee dues, and lead conversion rates.
- **Staff Management (/settings/users):** Create and manage accounts for Sales Counselors, Tutors, Students, and Parents. Assign role permissions.
- **Fee Structure & Invoicing (/fees):**
 - Create fee templates for courses/batches (e.g. *Class 10 Physics Annual Fee: ₹25,000*).
 - Generate invoices for admitted students with due dates and custom discounts.
 - Record offline Cash/UPI payments and view monthly revenue trends.
- **Admissions Approval (/admissions):** Review incoming student admission requests, verify submitted documents, approve admissions, and automatically generate student enrollment records.

3. Sales Counselor Guide (Leads & Admissions)

SALES PIPELINE

Managing Sales Leads & Conversions COUNSELOR ROLE

- **Leads Kanban Board (/leads)**: Track prospective students across all 8 pipeline stages:
New → Contacted → Interested → Demo Scheduled → Demo Done → Negotiation → Enrolled → Lost .
- **Creating a New Lead**: Click + **Add Lead**, enter student name, phone number, target exam, course interest, and lead source (e.g. *Website, Instagram, Referral*).
- **Scheduling Follow-ups**: Click on any lead card to record activity notes, set follow-up reminder dates, and log call outcomes.
- **Converting Lead to Admission**: When a lead agrees to join, click **Convert Lead** to auto-fill their information directly into the Admission Form.

4. Tutor & Educator Guide (Classes, Attendance & Exams)

ACADEMIC MANAGEMENT

Managing Batches, Classes & Marks TUTOR ROLE

- **Daily Class Scheduling (/batches)**: Schedule live or offline classes for your assigned batches, select subject topics, and set start/end times.
- **Syllabus Progress Tracking (/syllabus)**: Mark syllabus topics as *Not Started* , *In Progress* , Or *Completed* . CoachGenie automatically calculates overall batch syllabus completion %.
- **Daily Student Attendance (/attendance)**: Select batch date and mark students as *Present* , *Absent* , Or *Late* . Low attendance warnings trigger automatically.
- **Exams & Student Marks (/exams)**: Create unit tests/mock exams, specify maximum marks, enter student scores, and generate class performance rankings.
- **Student Growth Cards (/growth-cards)**: Evaluate student soft skills, discipline, class participation ratings, and provide teacher remarks.

5. Student & Parent Portal Guide

LEARNING & TRANSPARENCY

Student & Parent Self-Service Features STUDENT / PARENT ROLE

- **My Classes & Schedule**: View upcoming batch classes, assigned subjects, and tutor details.
- **Syllabus Tracker**: View real-time subject syllabus completion progress.
- **Attendance & Exam Report Cards**: Check personal monthly attendance percentage and exam score breakdowns.
- **Fee Receipts & Statements**: Parents can view total fees, paid amounts, remaining balance, and historical payment receipts.
- **AI Copilot Assistant (/ai)**: Students can ask questions to the AI Copilot to get instant learning assistance, study guidance, and practice insights.
